3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

s. d.

Per Company's Rupee for Advances made at.....	Bengal.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors

to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advances, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

And if upon the return of such warrant, it shall appear that no sufficient distress can be had thereon, then it shall be lawful for any such Magistrate by warrant under his hand and seal to cause such offender or offenders to be committed to prison, there to remain for the space of two calendar months, unless such fines and all reasonable charges attending the same shall be sooner paid and satisfied.

IX. And it is hereby enacted, that it shall be lawful for the Post Master to detain any letter or packet in respect of which any party shall become liable to fine for a contravention of Sections IX. and X. of Act XVII. 1837, or of any of the Provisions of this Act, until the fine and all reasonable charges attending the same, shall have been duly paid.

**NOTICE** is hereby given, that the undermentioned Two Allotments of Sunderbans' Forest Land, Deceased in favor of Government by the Presidency Special Commissioner, on the 24th July, 1837, can be obtained on the usual Jungle-booree terms, upon application being made at the Office of the Commissioner of the Sunderbans, at, Allipore.

Name of Allotment.	Supposed area.	Boundaries.	Remarks.
Howleeah Barisaul.	70,000	North, the Pangachoe river, the Barweekhalee Khul, and the Jewdhooa river.—East, the Balissur river.—West, the Bhaleh river.—South, the Cheepa, Barweekhalee, and Kumarkhalee Khals.	This allotment is situated on the Western bank of the Balissur river, opposite to the cultivated lands lately resumed from the possession of the Zemindars of Pergunnah Seyndpore. It is high and dry, requiring little or no embanking to keep out the Salt Water, and a considerable portion of it would appear to have been at one time cleared of jungle. An abundance of light Soondree timber might be procured from this allotment, and from its proximity to a district already cultivated, fresh water at all times of the year might be obtained without difficulty. From its situation and capabilities, the land of this allotment offers many advantages to speculators.
Ditto.....	70,000	North, the Cheepa, Barweekhalee, and Kumarkhalee Khals.—East, the Balissur river.—South, the Dhamir river joining the Bhola with the Balissur river.—West, the Bhola.	The like remarks apply modified in so far as this allotment is to the south of the preceding one.

**NOTICE** is hereby given, that the undermentioned Two Allotments of Soonderbuns' Forest Land, Decreed in favor of Government by the Presidency Special Commissioner, on the 24th July, 1837, can be obtained on the usual Jungle-house terms, upon application being made at the Office of the Commissioner of the Soonderbuns, at Allipore.

Name of Allotment.	Supposed area.	Boundaries.	Remarks.
Khowineah Barisaul.	70,000	North, the Pangnhee river, the Barwee Khalee Khel, and the Jewdhoun river.—East, the Balissur river.—West, the Bholah river.—South, the Cheepa, Barwee Khalee, and Kumarkhalee Khals.	This allotment is situated on the Western bank of the Balissur river, opposite to the cultivated lands lately resumed from the possession of the Zemindars of Pergunnah Seyadpore. It is high and dry, requiring little or no embanking to keep out the Salt Water, and a considerable portion of it would appear to have been at one time cleared of jungle. An abundance of large Soondree timber might be procured from this allotment, and from its proximity to a district already cultivated, fresh water at all times of the year might be obtained without difficulty. From its situation and capabilities, the land of this allotment offers many advantages to speculators.
Ditto.....	70,000	North, the Cheepa, Barwee Khalee, and Kumarkhalee Khals.—East, the Balissur river.—South, the Phandir river joining the Bhola with the Balissur river.—West, the Bhola.	The like remarks apply modified in so far as this allotment is to the south of the preceding one.
